

# Make Up A Mini Beast Tune

These are the notes we have learned.

G A B C D E.

Here are some mini beasts.

Glow - worm

Cat-er-pil-lar

Bee

But-ter-fly

Choose from the notes you know to make musical questions and answers using mini beast rhythms. You can use the notes and rhythms in any order you like. Work in groups and help each other to make some exciting tunes.

Example of what you could do:

Call

Response

Cat-er-pil-lar	Glow - worm		Cat-er-pil-lar	Bee
G G G G	B B		D D D D	G

Play your piece a few times through so you can remember it well.

Have Fun!
