and fret 4 on string 4

# Sakura Grade 1-2

Japanese Traditional

Play this piece using walking fingers in the right hand. Use free strokes or rest strokes as you normally do in your lessons. Count carefully to achieve the correct rhythm and keep to the beat.

# Sakura Grade 3+

Japanese Traditional

Play this piece using free stroke. Use a selection of right hand fingers including the 'a' finger if you can. See suggestions. Bring out the tune as much as you can so you can hear it over the accompanying notes. Keep it as smooth as possible and add some dynamics of your own along the way.
