

## **How Far I'll Go**

I've been staring at the edge of the water  
'Long as I can remember, never really knowing why  
I wish I could be the perfect daughter  
But I come back to the water, no matter how hard I try.

Every turn I take, every trail I track  
Every path I make, every road leads back  
To the place I know, where I can not go, where I long to be  
See the line where the sky meets the sea? It calls me  
And no one knows, how far it goes  
If the wind in my sail on the sea stays behind me  
One day I'll know, if I go there's just no telling how far I'll go

I know everybody on this island, seems so happy on this island  
Everything is by design  
I know everybody on this island has a role on this island  
So maybe I can roll with mine  
I can lead with pride, I can make us strong  
I'll be satisfied if I play along  
But the voice inside sings a different song  
What is wrong with me?

See the light as it shines on the sea? It's blinding  
But no one knows, how deep it goes  
And it seems like it's calling out to me, so come find me  
And let me know, what's beyond that line, will I cross that line?  
The line where the sky meets the sea? It calls me  
And no one knows, how far it goes  
If the wind in my sail on the sea stays behind me  
One day I'll know, how far I'll go
