

A Million Dreams

I close my eyes and I can see
A world that's waiting up for me
That I call my own
Through the dark, through the door
Through where no one's been before
But it feels like home

They can say, they can say it all
sounds crazy
They can say, they can say I've lost my
mind
I don't care, I don't care, so call me
crazy
We can live in a world that we design

'Cause every night I lie in bed
The brightest colours fill my head
A million dreams are keeping me
awake
I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take
Oh a million dreams for the world
we're gonna make

There's a house we can build
Every room inside is filled
With things from far away
The special things I compile
Each one there to make you smile
On a rainy day

They can say, they can say it all
sounds crazy
They can say, they can say we've lost
our minds
I don't care, I don't care if they call us
crazy
Runaway to a world that we design

Every night I lie in bed
The brightest colours fill my head
A million dreams are keeping me
awake

I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take
A million dreams for the world we're
gonna make

However big, however small
Let me be part of it all
Share your dreams with me
You may be right, you may be wrong
But say that you'll bring me along
To the world you see
To the world I close my eyes to see
I close my eyes to see

Part 1

Every night I lie in bed
The brightest colours fill my head

Part 2

A million dreams are keeping me
awake

Part 1

A million dreams, a million dreams

All

I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take
A million dreams for the world we're
gonna make

For the world we're gonna make.
