

Using the left-hand fingers

Remember that string numbers are always written in circles. You can say it's a 'string in a ring'.

Play G and A on string three. G is played open and A is with finger 2 pressed on fret two.

Play B on string two open.

Au Clair de la Lune 'By the Light of the Moon'

Look at how the notes in Merrily fall and rise by step. Practise playing B A G A B as a mini scale exercise several times before you learn the piece to help you play it smoothly.
