

Note dictionary-Where is that note? (treble strings)

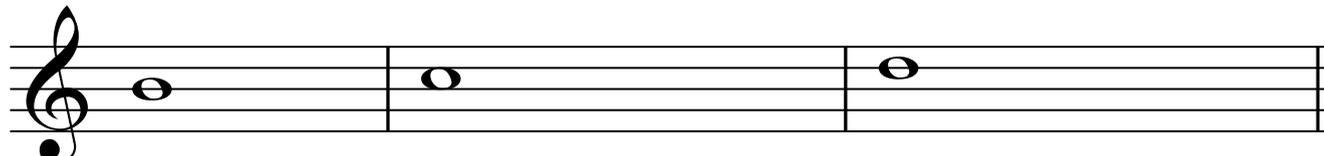

3rd string

G (open) A (fret 2, finger 2)

The diagram shows a treble clef on a five-line staff. A box labeled '3rd string' is positioned above the staff. The first measure contains a whole note G on the second line. The second measure contains a whole note A on the second space.

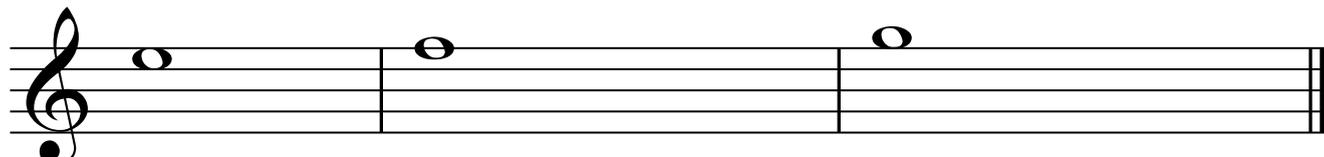

2nd string

B (open) C (fret 1, finger 1) D (fret 3, finger 3 or 4)

The diagram shows a treble clef on a five-line staff. A box labeled '2nd string' is positioned above the staff. The first measure contains a whole note B on the second space. The second measure contains a whole note C on the first space. The third measure contains a whole note D on the third space.

1st string

E (open) F (fret 1, finger 1) G (fret 3, finger 3 or 4)

The diagram shows a treble clef on a five-line staff. A box labeled '1st string' is positioned above the staff. The first measure contains a whole note E on the first space. The second measure contains a whole note F on the first space. The third measure contains a whole note G on the second space.

Try to familiarise yourself with these notes and learn to play them with the left hand fingerings your teacher has shown you. When you have learned the notes on this page there will be lots of pieces you can play!
